

Reimbursement of care for foreigners and self-payers

Foreigners in the Czech public health system

Do you need an examination and **are insured** in the Czech public health system?

Prepare:

Identity card

EHIC - European Health Insurance Card issued in the Czech Republic

Upon presenting these documents, you are entitled to full healthcare

Foreigners not insured in the Czech public health system

Do you need an examination and **are not insured** in the Czech public health system?

If you are a person from EU countries, other EEA countries, Switzerland or other contracting countries, insured in one of these countries,

Prepare:

Identity card

EHIC - European Health Insurance Card or replacement certificate and entitlement certificate

or

Identity card

S2 form for planned health care in a country outside of the state of insurance

<http://www.kancelarzp.cz/cs/pojistenci/prava-naroky-eu/postupy-zeme-eu>

Upon presenting these documents, you are entitled to healthcare coverage to the extent stated at the registration of the Czech public health insurance company, which becomes your assisting insurer during your stay in the Czech Republic

Person outside the EU, other EEA countries, Switzerland and other contracting countries

Person not insured in any of these countries

Person taking healthcare beyond his/her health insurance

A person whose health insurance company does not guarantee the payment for health care

Prepare: An identity document.

The full amount of the healthcare provided is paid by the patient, and the advance payment of 100% of the anticipated costs is paid in advance.

The costs of provided healthcare for a person placed in centres (refugee camps) are covered by the Ministry of Interior of the Czech Republic - Department for Refugees.

Insurers of a non-public commercial health insurance company

Do you need an examination and are you insured at a non-public commercial health insurance company?

Prepare:

Identity card and health insurance document

Basic health insurance for foreigners

Health insurance for foreigners

Other insurance

Upon presenting these documents, you are entitled to healthcare under your insurance contract. Before we begin the examination, we require a guarantee letter from your health insurance company.
